To All Concerned:

The Sedgwick County Sheriff's Office will allow monitoring and/or recording of telephone calls made through the inmate collect call telephone system effective July 2011. The monitoring and recording of telephone calls will facilitate through GTL, the current vendor for all inmate collect telephone calls. Inmates will be notified by a sign that will be posted at the phone bank stating:

"ALL TELEPHONE CALLS MAY BE MONITORED AND/OR RECORDED"  
(calls to your attorney may be exempt – check with staff)

We respect and understand the need for attorneys to freely communicate with their clients without interference and/or concerns related to privacy. To avoid any possible conflict or infringement on your client's privacy your assistance is needed.

The Sheriff's Office will create a list of the main office telephone numbers for those attorneys in the Wichita area who wish to have their numbers designated by GTL for NON recording or monitoring. To accomplish this, we ask that you complete and fax (316/383-7600) or mail the attached form to:

Sedgwick County Sheriff's Office  
Detention Bureau Administration  
141 W. Elm St.  
Wichita, Kansas 67203

At any time in the future, should your telephone number change, please contact Detention Administration so that our list can be updated.

The inmates in custody may also request that an attorney's telephone number be added to our list. We will call to verify the new or changed telephone numbers before we add them to the listing.

**During telephone communications with your client from the detention facility, should you hear a warning that the call is being recorded or monitored, those communications cannot be expected to be private.**

You may contact Lt. Sharon Willits at 316/383-7711 during normal business hours for questions on whether your number is on our list.

Thank you for your cooperation in this matter.
