From: Wichita Bar Association Summer Intern Committee  
Re: Legal Internships for Juniors

Would you like to learn about potential careers in the legal profession... and get paid for it?

The Wichita Bar Association, an organization of attorneys in the Wichita area, has a perfect opportunity for Wichita area students entering their senior year of high school in the fall of 2008 who answer “yes” to that question. The Bar Association’s Summer Intern Committee is currently accepting applications from students interested in participating during the summer of 2008.

The program provides employment opportunities in a variety of legal settings ranging from private law firms to corporate legal departments to public agencies. Students also participate as a group in weekly educational seminars for which they are also paid. Past seminars have included attending trials and meeting with judges as well as tours of the Sedgwick County jail and the Coroner’s Office.

Participants must live in the Wichita area and be 16 years old by June 1, 2008. Students are chosen based upon several criteria including application, interview, and grade point average (2.8 on a 4.0 scale minimum requirement). Financial need is also considered but not required. For more information about the program and application process, please contact your guidance counselor, call the Wichita Bar Association office at 263-2251, extension 101, or log on to the Summer Intern section of [www.WichitaBar.org](http://www.WichitaBar.org).
